

The 69 Eyes, August Moon

August Moon
Where are you
August Moon
Over the sea

August Moon
Where are you
August Moon
Do you believe

In August Moon - let me follow you
In August Moon - let me follow you down

August Moon
Where are you
August Moon
Over the sea

August Moon
Where are you
August Moon
Do you believe

In August Moon - let me follow you
In August Moon - let me follow you down
Let me follow you down

Down to the Seven Seas, paces I never be
Down to the Seven Seas, paces I never be

August Moon
Where are you
August Moon
Over the sea

August Moon
Where are you
August Moon
