

The 69 Eyes, Be My Speed

Well I ain't a worried man
But sometimes i need a
helpin' hand
Maybe men don't know but the lil' girls
sure understand
Can't you see now baby I ain't
a worried man

I got the appetite to feed
You are everything I need

Well I ain't a worried man
But sometimes I need a
helpin' hand
Maybe men don't know but the lil' girls
sure understand
Can't you see now baby I ain't
a worried man

I got the appetite to feed
Get me high lil' girl and
be my speed
