

The 69 Eyes, Brandon Lee

What would there be
As the river of sadness turns into sea
Could there be another thousand stories like you and me
Wanted a heart,Wanted a soul
More than anything else in this world
But we are doomed
Our flesh and wounds
I would never give in

Just like the Moon does
We rise'n'shine'n'fall
Over you that I
Rise'n'shine'n'crawl
Victims aren't we all!

What would there be
Beyond the eyes of Brandon Lee
Could there be
A revenging angel
Left to bleed
Wanted the truth,wanted the faith
More than anything else in this world
But we are doomed
Body and soul marooned
I would never give in

Just like the Moon does
We rise'n'shine'n'fall
Over you that I
Rise'n'shine'n'crawl
Victims aren't we all!
