

The 69 Eyes, Discipline

My heart is burning with desire
to push the limits a lil' bit higher
Love hurts so they say
You will like it babe if you do it my way

I'm gonna teach you right now
Pretty babe some discipline
I'm gonna teach you right now some of it

Love is much more painfull than it seems
Our love is made from the secret dreams
Just obey all my rules
Be a pupil in my love school

I'm gonna teach you right now
Pretty babe some discipline
I'm gonna teach you right now some of it
