

# The 69 Eyes, Juicy Lucy

She's a woman when she's walkin' down the street  
she makes you turn your steering wheel  
She gives you throbs 'n' makes you sweat  
All dressed up in black leather  
Stiletto high-heels, maybe some rubber  
Don't bum your eyes she's dressed to kill

She's juicy juicy juicy Lucy  
Lucy fulfill my dreams  
She's juicy juicy juicy Lucy  
Lucy

She's gonna teach you high-class pleasures  
You will learn that pain's a treasure  
She's pushin' the edge, you're beggin' for more  
If you're a really naughty slave tonite  
She's gonna punish you that's right  
She locks you into a cage 'n' loses the key  
Somewhere

She's juicy juicy juicy Lucy  
Lucy fulfill my dreams  
She's juicy juicy juicy Lucy
