Hey big fat ass you ain't got no class  
I know what I'm saying  
I'm a real deal badassed white trash  
I've done my praying  
We'd better fix now the business straight  
You know what I'm saying  
I'll show you some evil baptized with hate  
Have you done your praying  
THE DEVIL IN MY HEART IS BURNING HIS WAY OUT  
THE DEVIL IN MY HEART FEEL IT BURNING  
[x2]  
I'm ruling the roost in a bad bad mood  
You know what I'm saying  
I get even pissed on you my little wise fool  
Have you done your praying  
THE DEVIL IN MY HEART IS BURNING HIS WAY OUT  
THE DEVIL IN MY HEART FEEL IT BURNING
