

The 69 Eyes, Mrs. Sleazy

Lost in love restless empty heart
Dind't care I just gotta get some
Searchin' for the ultimate pleasure
I couldn't avoid the street so obscene
Picked up this card full of promises
Sleaze'n'lust this is how it said

Mrs. Mrs. Sleazy
69 ways how to make it
Mrs. Mrs. Sleazy
Gives you everything you've always needed

I took the risk risk for good
To find this action so untrue
Such a pleasure service yes indeed
Tell honey what you need

Mrs. Mrs. Sleazy
69 ways how to make it
Mrs. Mrs. Sleazy
Pierced my heart so easy

'twas a love suicide
suicide of love
