

# The 69 Eyes, Velvet Touch

The autumn came took you away  
i never expected you to stay  
black tears fallin' in the cold rain  
I woke up one night to the darkest dream  
Your pretty ghost whisperin' to me  
Just one drop and I'll give you eternity  
i'm lookin' at you I'm lookin' for love  
Never get enough when push comes to shove  
Try to look at me tell me what you see  
You let fantasy become reality when the night is callin' pretty baby screams  
I buried my heart into the deapest seas  
When the blood runs cold i feel hot in heal  
The red moon risin' over you and me
