

# The 69 Eyes, Velvet Touch (Original)

The autumn came took you away  
I never expected you to stay  
Black tears falling in the cold rain  
I woke up one night into the darkest dream  
Your pretty ghost whispering to me  
Just one drop and I'll give you eternity

I'm looking at you I'm looking for love  
Never get enough when push comes to shove  
Try look at me tell me what you see  
You let fantasy become reality  
when the night is calling pretty baby screams

I buried my heart into the deepest seas  
When the blood runs cold I feel hot in heat  
the red moon rising over you and me

I'm looking at you I'm looking for love  
Never get enough when push comes to shove

I never believed we would meet again  
Start it all over till the very end  
Gimme velvet touch  
Gimme a kiss of death
