

The 69 Eyes, Velvet Touch (Other Version)

The autumn came took you away
I never expected you to stay
Black tears fallin'
In the cold rain
I woke up one night to the darkest dream
Your pretty ghost whisperin' to me
Just one drop and I'll give you
Eternity
I'm lookin' at you
I'm lookin' for love
Never get enough
When push comes to shove
Try to look at me tell me what you see
You let fantasy become reality
When the night is callin'
Pretty baby screams
I buried my heart into the deepest seas
When the blood runs cold I feel hot in heat
The red moon risin'
Over you and me
I'm lookin' at you
I'm lookin' for love
Never get enough
When push comes to shove
I never believed we would meet again
Start it all over 'til the very end
Gimme velvet touc gimme a kiss
(Kiss) kiss of death..
