

The 6ths, Moviestar

I spent all day dreaming of the
Way I'd like to hold you
So I got absolutely nothing done
But it was so much fun
And have I told you how beautiful you are tonight
Just like a moviestar
Quit your job, dear
Then you can stay home beside me
You be James Dean
I'll be Sal Mineo, you can hide me
How beautiful you are tonight
Just like a moviestar
