

The A.K.A.S, This Is The Way We Move

You can tell he's been calm since the day he was born.
And you can hear him cuz now he's all pointed at the earth screaming like a bomb.
This is the way we move. This is the way we do our homework in the dark.
This is the way we stand on our desktops with our hands in the air.
This is the way we move. This is the way we
Shake, shake it all the boys and all the girls make some, make some noise.
Do you know she's been on hold since the way she was born?
You can hear her cuz now she knows the voice she's been waiting for was her own.
This is the way we prove we've got nothing to do we've got nothing to lose.
This is the way we move. This is the way we
Shake, shake it all the boys and all the girls make some, make some noise.
