

# The Abyssinians, Abednego

Shadrach, Meshach and Abednego  
Working dead(?) to be thrown in the furnace  
Shadrach, Meshach and Abednego  
They had no fear, no fear at all

It was Igziabeher, yim mas gan  
It was God, let him be praised  
It was Igziabeher, yim mas gan  
It was God, let him be praised

Shadrach, Meshach and Abednego  
It was three, now it&#039;s four in the fire  
Shadrach, Meshach and Abednego  
All were amazed by such mighty power

It was Igziabeher, yim mas gan  
It was God, let him be praised  
It was Igziabeher, yim mas gan
