

The Academy Is..., About A Girl (Acoustic Version)

One song about a girl
I can't breathe when I'm around her
I'll wait here everyday
In case she'll scratch the surface
She'll never notice

I'm not in love
This is not my heart
I'm not gonna waste these words
About a girl

Last night, I knew what to say
But you weren't there to hear it
These lines, so well rehearsed
Tongue tied and over-loaded
You never notice

I'm not in love
This is not my heart
I'm not gonna waste these words
About a girl
I'm not in love
This is not your song
I'm not gonna waste these words
About a girl

To be loved, to be loved
What more could you ask for?
To be loved, to be loved
Everyone wants
To be loved, to be loved
What more could you ask for?
To be loved, to be loved

Everyone, I'm not in love
This is not my heart
I'm not gonna waste these words

I'm not in love
This is not my heart
I'm not gonna waste these words
About a girl

I'm not in love
(To be loved, to be loved, what more could you ask for?)
This is not your song
(To be loved, to be loved, everyone wants)
I'm not gonna waste these words
(To be loved, to be loved)
