

# The Academy Is..., Season

Wake up, think fast, three weeks have passed, we are changing  
No sleep, no gas, no excuses will pass these lips  
'Cause we're shapin' up to be all you wish you could have been  
To write the hits and to turn their heads  
And to open eyes (open your eyes) to a brand new season  
A brand new season

So show me something we haven't heard yet  
But I'm not convinced and your heartless songs won't stick  
But I, I'll sing you something you won't forget  
For the first time I know this is now who I am

You'll notice when we're gone
