

The Academy Is..., Superman

I am (I am), I am Superman
And I know what's happening
I am (I am), I am Superman
And I can do anything
You don't really love that guy you're making with now do ya?
I know you don't love that guy cause I can see right through ya
I am (I am), I am Superman
And I know what's happening
I am (I am), I am Superman
And I can do anything
If you go a million miles away, I'll track you down girl
Trust me when I say I know the pathway to your heart
[x2]
I am Superman and I know what's happening
I am (I am), I am Superman
And I can do anything
I am (I am), I am Superman
And I know what's happening
I am (I am), I am Superman
And I can do anything
