

# The Adicts, Black Sheep

do you do what others don't  
do you go where other won't  
do you have to be the first  
do you have some kind of curse  
oh oh little black sheep  
oh oh poor bo peep  
can't just be a happy fan  
you have got to bet the man  
can't just be in the back row  
you have got to steal the show  
oh oh little black sheep  
oh oh poor bo peep
