

The Adicts, Hello Farewell Goodbye

Oh we kiss and we fight
Then we make up all night
We laugh and we cry
Hey why should I
Hello farewell goodbye
We talk till we're dumb
We hate having fun
Sex ain't this good
And I'd quit if I could
Now my deluded mind
Has driven me to crime
You're my Bonnie I'm your Clyde
You're the prison that I'm in
For innovative sin
Baby its you I'm inside
Oh we punch and we kick
We caress and we lick
Will this dilemma go on forever
I'll give you one last try
Now its do or die
You're part of paradise in hell
