

The Adicts, I Want To Marry A Light House Keeper

I want to marry a light house keeper
and keep him company
I want to marry a light house keeper
and live by the side of the sea
I'll polish his lamp by the light of day
so ships at night can find their way
I wanna marry a light house keeper
won't that be okay
we'll take walks along the moonlit bay
maybe find a treasure too
i'd love living in a light house
how 'bout you?
dream of livin in a light house baby
every single day
i dream of living in a light house
a white one by the bay
so if you want to make my dreams come true
who'd be a light house keeper or do
we could live in a light house
the white one by the bay
won't that be okay
