

# The Adicts, Joker in the Pack

Oh my boots they shine  
And my bowler looks fine  
Take some time and care  
Take a look at my hair

(Chorus)

Oh yeah, oh yeah. oh yeah  
I'm a joker in the pack  
Oh yeah, oh yeah. oh yeah  
I'm a joker in the pack

We hit the dance hall  
So smart and so chic  
I make them laugh a lot  
I make them accept me  
Secrets are spoken  
Plans are drawn in the dust  
With a gay bravado  
I'm taken into their trust

(Chorus)

Oh my boots they shine  
And my bowler looks fine  
But don't confide in my smile  
Because jokers are wild

(Chorus)
