

The Adicts, Rollercoaster

I'm flying with Tony. I'm ready to show
I got to get up to no good. I got to get up and go
I'm hanging with Benny. I'm hanging with Al
Come see the freak show. At the carnival
I'm on a high wire. And i'm not going down
Get under the big top. Get into the groove
Roll with the punches. Time to make a move
Ride the roller coaster. From coast to coast
Ride the roller coaster
