

The Adicts, Shiney Shiney

shiney shiney
shiney shiney
shiney shiney
being girls being molls
rock and roll rocking horse
kicking round the killer course
party politics erotic egos
getting kicks shiney shiney
gasoline gasoline sucking
honey turpentine
broken backs fixed with nails
a dieing banshee wails
kanine kenny's kennel
is a sickly shade of fennel
shiney shiney tick tock tock

i dont' know what i'm talking about
i am sick of myself
i don't know what i'm talking about
wanna be someone else

shiney shiney
saccharin summertime
in winters lonely line
get me out get me in
let this fucking life begin
petty politics erotic egos
getting kicks shiney shiney

i dont' know what i'm talking about
i am sick of myself
i don't know what i'm talking about
wanna be someone else

i dont' know what i'm talking about
i am sick of myself
i don't know what i'm talking about
wanna be someone else
