Afghan Whigs, The  
Congregation  
Congregation  
(dulli/mccollum)

I walk around with this all over me  
I cannot wash it clean  
You've got the ball  
You've got the ball i'm taking it from you  
And today  
It's in the blood  
I left it in the blood you see  
So put the words together  
I'll be with you forever  
Get up  
We'll rise  
They'll pay  
And wait until tomorrow night  
I can't recall yet if i'm black  
Or if i'm white or wrong  
Or if i'm white or wrong  
I am your creator  
Come with me my congregation  
Get up i'll smack you back down  
Get up  
We'll rise  
They'll pay  
Get up i'll smack you back down  
You will become my diamond  
I'm yours and you are mine  
Get up  
We'll rise  
They'll pay
