

# The Afghan Whigs, Hey Cuz

Hey cuz, hey cuz, hey cuz  
How you doing, How's it hanging  
Don't leave me hanging, I can't be  
I'm talking down to you now, and I said  
What's wrong, What's wrong, What's wrong  
Oh nothing's wrong, a little [?]  
Smiling all day long  
My words are shining  
[?]

Hey cuz, I'm calling  
Who wants to get high  
Come to you crawling  
And cuz can you cry, cry, cry

What's up, what's up, what's up  
What's up,  
I come to you when you're sleeping tonight

Hey cuz, I'm calling  
Who wants to get high  
Come to you crawling  
And cuz can you cry, cry, cry

When I see your red eyes  
I go out of my mind

Not enough x 8

Hey cuz, I'm calling  
Who wants to get high  
Come to you crawling  
And cuz can you cry, cry, cry
