The Afghan Whigs, Kiss The Floor

Afghan Whigs, The Congregation Kiss The Floor (dulli/mccollum)

Hypnotized by this endless summer Filled with nothing i keep with me Won't let them take this nothing from me Won't let you waste my time for me I've been a good boy so give it to me And keep your brothers away from me They know i took it They're coming for me Now i can hear them following We had talked about it for days It's not supposed to happen this way Don't believe it's getting cold Don't suppose i'm getting bold Shove my head against the door Crawl inside and kiss the floor Waiting for the sun again Drink it smoke it stick it in If i was going down Taking everybody else around If i was going down
