The Alan Parsons Project, Don't Let It Show

(Lead Vocal - Dave Townsend)

If it's getting harder to face every day Don't let it show, don't let it show Though it's getting harder to take what they say Just let it go, just let it go

And if it hurts when they mention my name Say you don't know me And if it helps when they say I'm to blame Say you don't own me

Even if it's taking the easy way out Keep it inside of you Don't give in Don't tell them anything Don't let it Don't let it show

Even though you know it's the wrong thing to say Say you don't care, say you don't care Even if you want to believe there's a way I won't be there, I won't be there

But if you smile when they mention my name They'll never know you And if you laugh when they say I'm to blame They'll never own you

Even if you feel you've got nothing to hide Keep it inside of you Don't give in Don't tell them anything Don't let it Don't let it show
