

The Alan Parsons Project, Let Me Go Home

(Lenny Zakatek - Lead Vocal)

Waiting till the sun goes down
Shadows walk in the night
Living in a fantasy
In and out of dreams
Nothing is the way it seems

Let me go home,
I had a bad night leave me alone
Let me go home,
I've had a hard time being on my own

Every way I turn my eyes
Shadows pass in the night
Haunted by reality
Living out of dreams
Nothing is the way it seems

Let me go home,
I had a bad night leave me alone
Let me go home,
I've had a hard time being on my own

I'm waiting till the sun goes down
Shadows talk in the night
Living out a fantasy
Slipping into dreams
Nothing is the way it seems

Let me go home,
I had a bad night leave me alone
Let me go home,
I've had a hard time being on my own
