

The Alan Parsons Project, No Answers Only Que

Some of us laugh,
Some of us cry,
Some of us lay back - watch the world go by.
Some of us fear,
Some of us hate,
Some of us won't wake up 'till it's too late!

The distance between us is a mystery to us all,
The difference between us is so small!

There are no answers, only questions
And we're all strangers to the truth
But in my mind's eye
I have found the reason why
And I carry the burden of the proof.

Why do we fight?
Why do we fall?
Why do we stand there - backs against the wall?
Why don't we change?
Why don't we try?
Why don't we turn 'round, help the other guy?

The distance between us is a mystery to us all,
The difference between us is so small!

There are no answers, only questions
And we're all strangers to the truth
But in my mind's eye
I have found the reason why
And I carry the burden of the proof.
