

# The Alan Parsons Project, One More River

Don't look back cause there's one more river  
Don't turn your back you got one more river to cross  
No more fightin' and no more dyin'  
No more cheatin' and no more lyin'

Don't look back cause there's one more river  
Don't turn your back you got one more river to cross  
Don't start askin' the rhyme or the reason  
Don't hold back it's the time of the season

One more mile and one more road  
One last bridge and one less load  
One more river  
Don't look back cause there's one more river  
Don't turn your back you got one more river to cross

Don't start askin' the rhyme or the reason  
Don't hold back it's the time of the season  
One more mile and one more road  
One last bridge and one less load  
One more river
