The Alan Parsons Project, One More River

Don't look back cause there's one more river Don't turn your back you got one more river to cross No more fightin' and no more dyin' No more cheatin' and no more lyin'

Don't look back cause there's one more river Don't turn your back you got one more river to cross Don't start askin' the rhyme or the reason Don't hold back it's the time of the season

One more mile and one more road One last bridge and one less load One more river Don't look back cause there's one more river Don't turn your back you got one more river to cross

Don't start askin' the rhyme or the reason Don't hold back it's the time of the season One more mile and one more road One last bridge and one less load One more river One more river
