## The Alan Parsons Project, You Don't Believe

(Lenny Zakatek - Lead Vocal)

My eyes with your vision My choice but always your decision My play with your direction Well it's my lead but always your connection

When I look into your eyes you don't believe me I can see it in your eyes you don't believe

My words, your expression My land, always your possession My song, your production My expense is always your deduction

When I look into your eyes you don't believe me I can see it in your eyes you don't believe

And the face I see before me
Is both sides of a mirror
You really know you've got a hold on me
And the face you're looking into
Is both sides of a window
And any way you look you see through me

My fame, your reflection My weakness always your protection Well it's my terms on your conditions And they're my tunes but they're your compositions

When I look into your eyes you don't believe me I can see it in your eyes you don't believe
