## The Alarm, Happy Christmas (War Is Over)

So this is Christmas And what have you done Another year over A new one just begun

So this is Christmas I hope you have fun The near and the dear ones The old and the young

And so this is Christmas For weak and for strong For rich and for poor ones The road is so long

And so happy Christmas And a happy New Year Lets hope It's a good one Without any fear

War is over If you want it War is over now

So this is Christmas For black and for white For yellow and red ones Lets all stop the fight

So happy Christmas And what have you done Another year over A new one just begun

And so happy Christmas And a happy New Year Lets hope it a good one Without any fear

War is over If you want it War is over now

War is over If you want it War is over now

War is over If you want it War is over now

War is over If you want it War is over now
