

The Alice Band, Got My Rock

i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go
i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go

where i come from
its a grey old town
we've got life and music
and money on the ground
but i've had my share of empty hours
i've had my share of april showers

i know i've been livin' in a day dream
not sure where i was goin'
not sure where i had been
watchin' tides turnin'
feelin' money burnin'
givin' all the while
and gettin' in return

i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go
i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go

let the time rush over me
and chase the wind as far as i can see
all i am
all i ever will be
is evolution and now i see

i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go
i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go

times are changin'
i keep on movin' on
the road will get smoother
the further i go

i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go
i got my rock
i said i got my own soulin'
gonna make it 'cause i know i'm good to go
