

# The Alice Band, Lucky One

Walking to the bus stop  
Couldn't wait to get on  
I know I am the lucky one  
mmhhmm

Walking in the twilight  
Cold Nevada twilight  
I know I am the lucky one  
mmhhmm

On the wheels  
On the table top  
On the handles where  
The service stop  
On the floor  
On my heels again  
I know I'm the one, I'm the one, I'm the one

Standing on the corner  
If I could find a dollar  
I know I'd be the lucky one  
mmhhmm

Walking in the last light  
Artificial daylight  
I know I am the lucky one  
mmhhmm

On the wheels  
On the table top  
On the handles where  
The learned stop  
On the floor  
On my heels again  
I know I'm the one, I'm the one, i'm the one

On the wheels  
On the table top  
On the handles where  
The learned stop  
On the floor  
On my heels again  
I know I'm the one, I'm the one, i'm the one

Walking to the bus stop  
Couldn't wait to get on  
I know I am the lucky one  
mmhhmm
