

# The All-American Rejects, Breakin'

Hold on tight  
Wrap your arms around me til your knuckles are burning white  
All your tears  
Couldn't match the bitter taste of all these wasted years

You take take  
Everything that wasn't even yours  
Wait wait  
You don't got a hold of me anymore

(Chorus)  
In a clear view there's a silhouette  
And I watch you and I can't forget  
Knew we were done when you locked that door  
Yeah I figured it out now  
Breaking's what the heart is for

When I see you in a silhouette  
And you hold close  
Do you feel regret  
Keeping me down when I hit that floor  
And I figured it out girl  
Breakings what your heart is for

For so long  
I've had to bite my tongue but what's the point if the feelings gone  
I turn my head  
Learned I only see some memory but all I see is red

Don't don't  
Say it didn't happen that way  
I won't won't  
Believe another word that you say

(chorus)  
In a clear view there's a silhouette  
And I watch you and I can't forget  
Knew we were done when you locked that door  
Yeah I figured it out now  
Breaking's what the heart is for

When I see you in a silhouette  
And you hold close  
Do you feel regret  
Keeping me down when I hit that floor  
And I figured it out girl  
Breakings what your heart is for

Yeah breaking's what your heart is for  
Yeah breaking's what your heart is for

And not a soul sleeps  
Another heart skips a beat  
It's every note that you wrote and I hope that you choke on the lines  
You're wasting my time, another heart beats tonight

(chorus)  
In a clear view there's a silhouette  
And I watch you, no I'll never forget  
Knew we were done when you locked that door  
Yeah I figured it out now  
Breaking's what the heart is for

When I see you in a silhouette

And you hold close  
Do you feel regret  
Keeping me down when I hit that floor  
And I figured it out girl  
Breakings what your heart is for

Yeah breaking's what your heart is for (X4)
