

# The All-American Rejects, Her Name Rhymes With

Shes the one you see.  
What more can I say?  
Got the voice of an angel.  
Perfect in every way.  
From two till six,  
we talked, we kissed.  
The night was perfect bliss.  
And I never felt like this.  
Holding hands with her through the night.  
I was scared, everythings all right.  
I know I'm young.  
She's smart. I'm dumb.  
We leaned in for a kiss.  
And I never felt like this.  
This is for the girl who defines beauty.  
With her long blonde hair,  
I can't see why everytime I see her,  
I go weak in the knees.  
Her name is Lindy and she want me.  
As I think in my room of the feelings I have spawned,  
I remind myself in two months you were gone.  
My time with you my dreams came true,  
and with you I can't miss.  
And I never felt like this.  
This is for the girl who defines beauty.  
With her long blonde hair,  
I can't see why everytime that I see her,  
I go weak in the knees.  
Her name is Lindy and she wants me.  
I wrote this song to get you out of my mind.  
But since I did, I think about you all the time.  
This is for the girl who defines beauty.  
With her long blonde hair,  
I cant see why everytime I see her,  
I go weak in the knees.  
Her name is Lindy and she wants me.  
She wants me. And I want her.
