

The All-American Rejects, It Ends Tonight

Your subtleties
They strangle me
I cant explain myself at all.
And all the wants
And all the needs
All I dont want to need at all.

The walls start breathing
My mind's unweaving
Maybe its best you leave me alone.
A weight is lifted
On this evening
I give the final blow.

When darkness turns to light,
It ends tonight
It ends tonight.

A falling star
Least I fall alone.
I cant explain what you cant explain.
You're finding things that you didnt know
I look at you with such disdain

The walls start breathing
My mind's unweaving
Maybe its best you leave me alone.
A weight is lifted
On this evening
I give the final blow.

[Chorus]
When darkness turns to light
It ends tonight,
It ends tonight.
Just a little insight won't make this right
Its too late to fight
It ends tonight,
It ends tonight.

Now Im on my own side
Its better than being on your side
Its my fault when your blind
Its better that I see it through your eyes

All these thoughts locked inside
Now youre the first to know

[Chorus x2]
