## The All-American Rejects, It Ends Tonight

Your subtleties They strangle me I cant explain myself at all. And all the wants And all the needs All I dont want to need at all.

The walls start breathing My mind's unweaving Maybe its best you leave me alone. A weight is lifted On this evening I give the final blow.

When darkness turns to light, It ends tonight It ends tonight.

A falling star Least I fall alone. I cant explain what you cant explain. You're finding things that you didnt know I look at you with such disdain

The walls start breathing My mind's unweaving Maybe its best you leave me alone. A weight is lifted On this evening I give the final blow.

[Chorus] When darkness turns to light It ends tonight, It ends tonight. Just a little insight won't make this right Its too late to fight It ends tonight, It ends tonight.

Now Im on my own side Its better than being on your side Its my fault when your blind Its better that I see it through your eyes

All these thoughts locked inside Now youre the first to know

[Chorus x2]
