

The All-American Rejects, She Mannequin

Perfect girl - visit me in my dreams
Run away with me tonight
This lasts forever although it seems
That you're not real to me
I don't care
Crystal clear - I see your face
And I know you see me too
You look at me
My heart is race
Not even real yet
I fall for you
Do you seem so real to me
Just my dream - my fantasy
Mean nothing it all
A vision in my mind
I don't care
I don't know
I don't care
The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets, yeah.
The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets
For you
Waited for you
You never came
Lying awake alone in bed
Yet you have changed
I'm still the same
Your promises were in my head
Do you seem so real to me
I couldn't see
Nothing it all
A vision in my mind
I don't care
I don't know
I don't care
The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets, yeah
The lights are off when we're alone
(Yes, we were talking on the phone)
I'm still asleep kickin' in my sheets
For you
And only you
The lights are off when we're alone
(Wish we were talking on the phone)
The lights are off when we're alone
(Wish we were talking on the phone)
The lights are off
The lights are off
The lights are off when we're alone
(Wish we were talking on the phone)
Please turn the lights on
The lights are off when we're alone
(Wish we were talking on the phone)
I'm still asleep kickin' in my sheets, yeah
The lights are off when we're alone
(Yes, we were talking on the phone)
The lights are off
The lights are off
The lights are off when we're alone
(Wish we were talking on the phone)

Please turn the lights on
