

The All-American Rejects, Straightjacket Feeling

Back me down from backing up
Hold your breath now it's stacking up
Etched with marks, but I can deal
And you're the problem and you can't feel
Try this on, straightjacket feeling
so maybe I won't be alone
Take back now, my life you're stealing
Yesterday was hell
But today I'm fine without you
Run away this time without you
And all I ever thought you'd be
That face is tearing holes in me again
Trust you is just one defense
off a list of others, you don't make sense
Beg me time and time again
to take you back now, but you can't win
Take back now, my life you're stealing
Yesterday was hell
But today I'm fine without you
Run away this time without you
And all I ever thought you'd be
That face is tearing holes in me
but today I'm fine without you
Run away this time without you
And all the things you put me through
I'm holding on by letting go of you
And when that memory slips away
There'll be a better view from here
And only lonesome you remains
and just the thought of you I fear
it falls away
Yesterday was hell
But today I'm fine without you
Run away this time without you
And all I ever thought you'd be
That face is tearing holes in me
but today I'm fine without you
Run away this time without you
And all the things you put me through
I'm holding on by letting go of you
