The dealer sits alone in the dark  
Cigarette shines on his very last card  
Everything he had... watched it come and go  
On a gambler's roll

Cold wind blows a young girl's world apart  
She bet it all she bet it all on the jack of hearts  
Gained her freedom but lost her soul  
On a gambler's roll On a gambler's roll

You know the gambler he rides... rides on a fools train  
Ah tradin' silver for gold  
Oh but his luck will change... time takes it's toll  
On a gambler's roll

The dealer knows... it's just about his last game  
Not even she knows all the sorrow and pain  
As the forty-five deals the fatal blow  
On a gamblers roll...on a gamblers roll

You know the gambler he rides... rides on a fools train  
Tradin' silver for gold  
Ah but his luck will change... time takes it's toll  
On a gambler's roll... on a gambler's roll  
On a gambler's roll... on a gamblers roll  
On a gamblers... gambler's roll
