Everybody wants to know where Jimmy has gone
He left town, I doubt if he's coming back home

Well Tony got a job, three kids and a lovely wife
Working at the commerce bank for the rest of his life

(Chorus)
Nobody left to run with anymore
Nobody left to do the crazy things we used to do before
Nobody left to run with anymore

I'm gonna hit the road, adios my friend
Go someplace and start all over again

Don't know where I'm going, like a gypsy out on the road
I'll go someplace and join a traveling show

(Chorus)
Nobody left to run with anymore
Nobody wants to do the crazy things we used to do before
Nobody left to run with anymore

Nobody left to run with anymore
Nobody left to run with anymore

I think Jimmy must have had the right idea
Packed his stuff and he got right out of here

I don't know where he's at but I'm sure that he's ok
Now I realize what Jimmy was trying to say

(Chorus)
Nobody left to run with anymore
Nobody wants to do the crazy things we used to do before
Nobody left to run with anymore

Nobody left to run with anymore
Nobody left to run with anymore
