## The Almost, Call Me Back When I'm Honest

Get in, get in, it feels like it's almost time Acting like it, you know youll get the first prize Sickness makes us larger than life This makes us larger, larger Here, here's a message for your phone Wanted you to know This is getting out of hand Drinking, drinking, Im feeling oh so slow now Waiting, waiting for that feeble last round This all makes us smaller than life This makes us smaller, smaller Here, here's a message for your phone Wanted you to know (Wanted you to know) This is getting out of hand Here, here's an idea for your book Open up and take a look inside It is filled with lies Be what you wanna be When you're doing what you do Free what you wanna free When you're coming so unglued Don't act like you have to Speak your thoughts right now Here, here's a message for your phone Wanted you to know (Wanted you to know) This is getting out of hand Here, here's an idea for your book Open up and take a look inside It is filled with lies Here, here's a message for your Here, here's an idea for your This is getting out This is getting out
