

The Almost, Never Say "I Told You So"

Hey yeah hey hey
Just tell me what's the difference that's between
Being myself and being
Oh so together with my thoughts I,
I cut and stab and make my
I cut and stab and make my example

For those about to tell me to
I'll never listen to you

I'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need to

This is the part where you take
You take your place and I just,
just take mine
I've never been so sick of
So sick of seeing you so, you so blind

Of all the things you offer
To the one who forgot you

I'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need to...

I'll get you back
'Cause I been known for sneakin'
My gettin' my stealin' my revenge

I'll never go
I don't wanna know
Why won't you stay
You're so far away...
