

# The American Analog Set, Born On The Cusp

So you're born on the cusp  
Oh it's a run of bad luck  
But it's bigger than us  
It's bigger than love  
And it's underhanded  
You never feel it  
You never look back  
You never look back  
You never look back

You never look back

What's in the car?  
A scene of the art  
You never look back  
You never look back

And it's bigger than us  
It's bigger than love  
Oh it must be unknown  
'Cause it always wins  
And it always wins  
It always wins  
It always wins  
It always wins
