

# The American Analog Set, Modern Drummer

And you will be  
Or you won't be  
But you kill me  
Every time... you kill me

And you end me  
And it mends me  
But you kill me  
Every time... you kill me

No we didn't know to use it  
So took it and abused it  
When we lost the right to choose it  
No... continuous hit music  
Now... continuous hit music  
Now... continuous hit music  
Now... continuous hit music  
Now... continuous hit music
