

The American Analog Set, Modern Drummer

And you will be
Or you won't be
But you kill me
Every time... you kill me

And you end me
And it mends me
But you kill me
Every time... you kill me

No we didn't know to use it
So took it and abused it
When we lost the right to choose it
No... continuous hit music
Now... continuous hit music
Now... continuous hit music
Now... continuous hit music
Now... continuous hit music
