

# The Animal Collective, For Reverend Green

From one moment to the next  
Reading in the papers to know what's best  
Sometimes you don't know yourself  
Eating lots of vitamins for your health  
From one moment to the next  
Red negativity in the street  
Maybe it's the dirt, maybe it's the heat  
A baby on the bus might have needs so easy

Now I think it's alright we're together  
Now I think that's alright yeah  
Now I think it's the best you've ever played it  
Now I think that's alright yeah  
Now I think it's alright to feel inhuman  
Now I think that's alright yeah  
Now I think it's alright, we'll sing together  
Now I think that's alright yeah

A running child's bloody with burning knees  
A kid that stabs mommy flew in the trees  
A camping child's happy with winter's freeze  
A lucky child don't know how lucky she is

From one moment to the next  
A thousand wasted book markers all depressed  
The ins and outs of someone's chest  
He'll only be a friend if he touches your breast  
From one moment to the next  
Shifting in the plates of what you ingest  
From sugar teas to honey best  
Bulimic vegetarian wins a contest

Now I think it's alright we're together  
Now I think that's alright yeah  
Now I think it's the best we've ever played it  
Now I think that's alright yeah  
Now I think it's alright to feel inhuman  
Now I think that's alright yeah  
Now I think it's alright, we'll sing together  
Now I think that's alright yeah

A running child's bloody with burning knees  
A kid that stabs mommy flew in the trees  
A camping child's happy with winter's freeze  
A lucky child don't know how lucky he is
