

# The Answer, Memphis Water

Memphis water, washing all your blues away,  
Memphis water, you're a hero, so they say, yes  
But you're scared to be yourself  
You don't wanna be no one else  
In case you falter

I'm on the outside, on the outside looking in,  
I just met myself on the road  
I gotta tell you I'm lookin' pretty thin  
But I'm scared to be myself  
I don't wanna be no one else  
In case I falter  
You know how it feels  
You told me to follow my fortune  
but you brought me to my knees, hey

You know sorrow, sorrow can be replaced  
A blind man said you left without  
A trace, you left without a trace

Memphis water, can you see what you have done  
You gave us all some sweet, sweet  
Cheer, gave us cheer  
When we had none

But we're scared to be ourselves  
And we don't wanna be no one else  
In case we falter
