

The Apers, You Think You're So Damn Funny

...

Always joking, cracking up, dude, you're so lame
And everyone I know, dude, they all feel the same
You think you're so damn funny
You think you're so damn funny
You think you're so damn funny,
Well, I think that you suck.
Oh Oh ...

Always trying to make me laugh, just cut the crap
I don't wanna hear your shit, so shut your gap.
You think you're so damn funny, (you think you're funny)
You think you're so damn funny, (you think you're funny)
You think you're so damn funny
Well, I think that you suck.
You think you're so damn funny, (you think you're funny)
You think you're so damn funny, (you think you're funny)
You think you're so damn funny
Well, I think that you suck.

Oh Oh ...

Always making jokes, dude, you're such a hoax
Just admit it, you're a clown.
So, you think it's funny, dude, I screwed your honey
Dude, when you was not around.
